Employment History

NOVEMBER 2015-PRESENT

Marketing executives oversee many aspects of a campaign throughout the entire lifespan of a product, service or idea. As such executives are likely to have a great deal of responsibility early on and will be required to manage their time and duties themselves. These responsibilities can include:

- overseeing and developing marketing campaigns
- conducting research and analyzing data to identify and define audiences
- devising and presenting ideas and strategies
- promotional activities
- compiling and distributing financial and statistical information
- writing and proofreading creative copy
- maintaining websites and looking at data analytics
- organizing events and product exhibitions
- updating databases and using a customer relationship management (CRM) system
- coordinating internal marketing and an organization's culture
- monitoring performance
- managing campaigns on social media.

Oct.2012-Mar.2014

Excellent product knowledge and strong communication skills generate a first-rate sales experience for the customer and improved customer loyalty.

- Working as part of the sales team to develop both new and existing markets.
- Involved in developing sales & pricing strategies. Liaising with customers & the dealer network to answer and resolve their queries.
- Identifying and then researching potential leads and opportunities.
- Constantly developing existing sales processes which will generate sustainable growth.
- Responsible for developing own portfolio of customers.
- Collecting all the information required to create a request for an estimate.
- Writing accurate & informative sales reports and documentation. Contacting prospective clients by phone and email.
- Identifying the customer's needs.
